

Nonparticipant

A **Nonparticipant** is someone that logs on to the system, belongs to one or more groups, but does not have a Christmas List for themselves, nor are they a parent for a child. This is a nonparticipant with no children.

We'll call this user a **NONPARTICIPANT** user.

If this user has a NONPARTICIPATING CHILD or PARTICIPATING CHILD added to them, they will be converted to a NONPARTICIPATING PARENT user.

This user can leave comments and change the status on gifts in the groups they belong to.

If a **NONPARTICIPANT** is added as a GROUP PARTICIPANT in one group, they are converted to a PARTICIPANT.

What they can do

- Cannot add suggestions
 - View gifts for users in their group(s)
 - Add comments to any gift they can see
 - Change the status on any gift they can see
 - Subscribe to a group they are a member of to receive email about new gifts added by someone in that group
 - Receive emails regarding any comment on others gifts that they have commented on
